

Managing a restaurant is not easy. Clavo Hub is a powerful tool to help you manage your restaurant more efficiently.

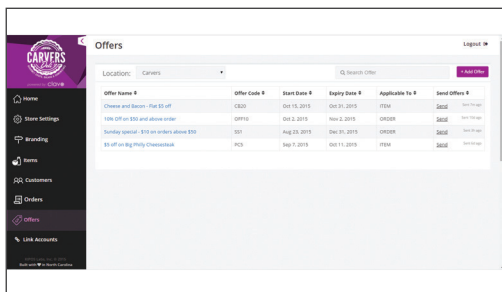

Clavo Hub is a web interface that lets you manage your menu, your restaurant and orders. You can ensure that your customers always have your latest menu, manage multiple locations, and even view orders. In addition to that, you can send customized offers directly to your customers via the mobile app. Clavo Hub manages it all.

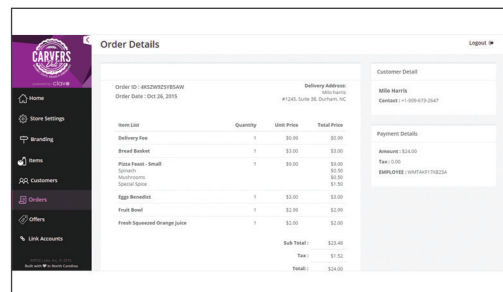

Manage multiple restaurants by linking them in Clavo HUB

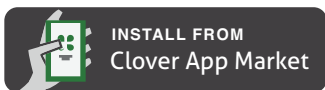

Manage menu across multiple locations

Generate offers and push them to the custom restaurant app

View Order Details in real time using Clavo HUB
