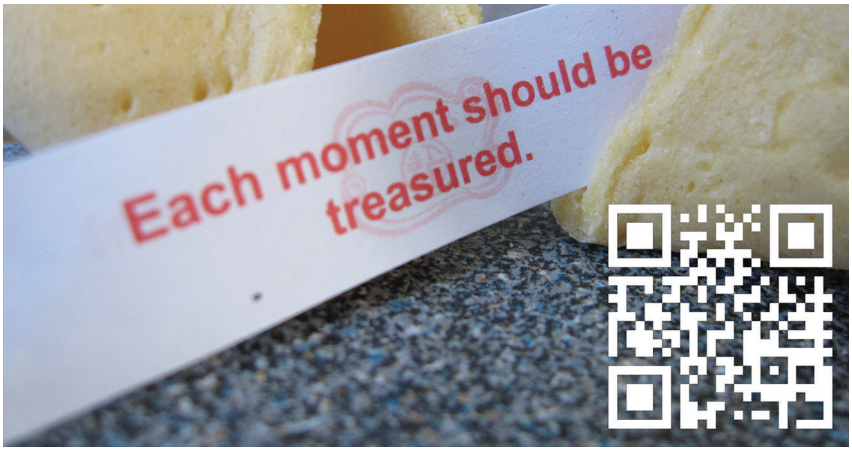
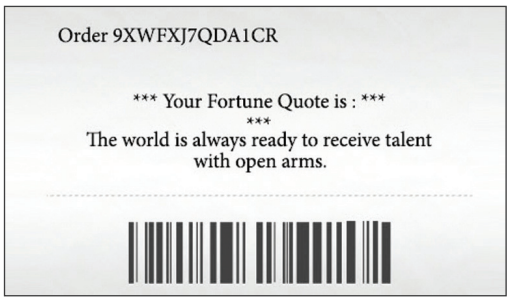
Fortune Receipt

by Merchantech

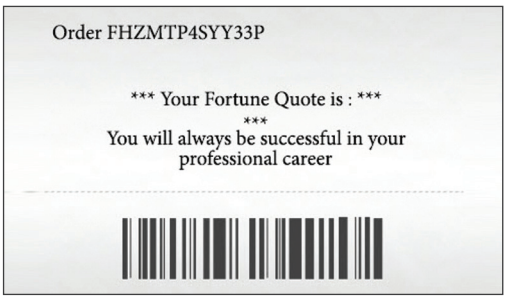


Prints Random Fortune Quotes on the bottom of your customers receipt.

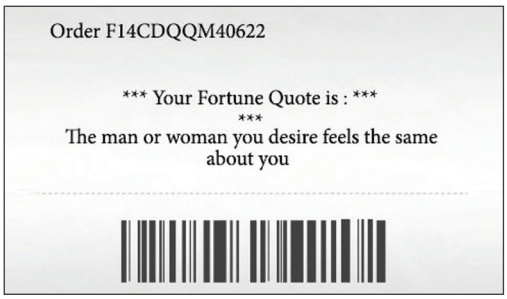
This app will print random fortune quotes on the bottom of your customers receipt, similar to a fortune cookie, minus the crumbs. This app is great for any business owner who wants to increase customer retention by providing a customized receipt. Watch your Social Media reviews grow and attract new customers as you provide a positive customer service experience. Get the app today and enjoy the results. Unlike other apps, this will print a random fortune quote every-time, making each customer experience memorable and unique.



Easy setup and easy installation. Install from Web or App.



Intrigue your customers with random fortune quotes printed on the bottom of your customer's receipt



Increase your presence on social media as people take pictures of their receipt and post it on Facebook, Instagram, Yelp and more

Hundreds of Facts with the database growing larger all the time. Includes free updates.
