

Not another loyalty card.

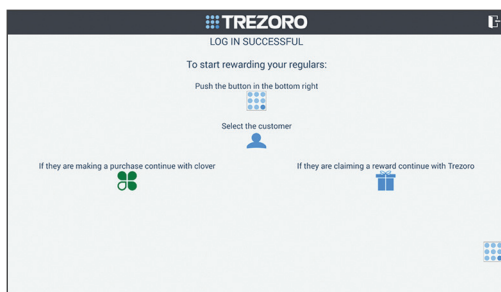

Trezoro is a digital loyalty system. Multiplying the benefits and removing the problems of a traditional paper loyalty card. Bring your traditional paper loyalty schemes online and form more permanent and personal connections with your customers. With our smartphone app they'll always have your loyalty card with them.

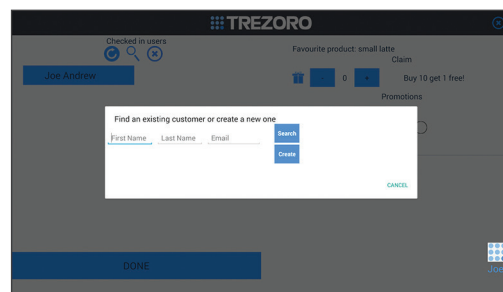

Sign up takes just a couple of minutes – simply register with login credentials and tell us about your location

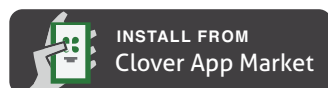

If you are already a Trezoro merchant – login with your location's credentials and start building your loyalty customers base

Simple workflow for giving stamps and rewards designed to be fast and effective

To give a stamp or claim a reward find an existing Trezoro customer or create a new one
